You'll be a great fit if:

You're productive when it counts.

You're careful when the finer details are critical; the details and quality execution really matter to you.

You're a creative thinker and a good problem solver.

You're talented and experienced in home building.

You're organized and efficient.

You've a strong work ethic and positive attitude.

You are good natured, communicate well, and work well in a team.

Here's what you'll be doing:

Summary

You'll be part of a small cohesive crew, building custom homes and doing extensive renovations from start to finish. You'll be willing and able to contribute to any stage of construction, from foundation, framing to exterior and interior finishing.

Detail

- Forming and pouring foundations
- Framing
- Installing building envelopes and exterior finishes
- Installing trim and finishing woodwork
- Ensuring your details are excellent, and your workmanship shines.
- Promote safety culture, use and maintain safety equipment, and practices
- Collaborate with the supervisor and other carpenters to maximize quality and productivity

Opportunity:

Competitive wage & benefits.

Paid education and training opportunities.

Growth and leadership opportunity.

Join a team of great characters.

Crew Events (Golf, Disc Golf, Bike, Ski, Camp)

Positive, respectful, and safe work environment.

Build great homes you're proud of.

If you think we're a good fit, please get in touch.

Please provide a resume and a brief cover letter to explain your interest and qualifications.
