Oct 14 2022

We're looking for a Lead Hand!

AKA Foreman, Site Lead, Supervisor, Lead Carpenter

Do you want to build beautiful custom homes from start to finish?

Do you have talent and high standards of workmanship?

Are you an outstanding character with a positive attitude?

Do you want to work with great people that do excellent work?

Do you want to work for a company that empowers you to succeed?

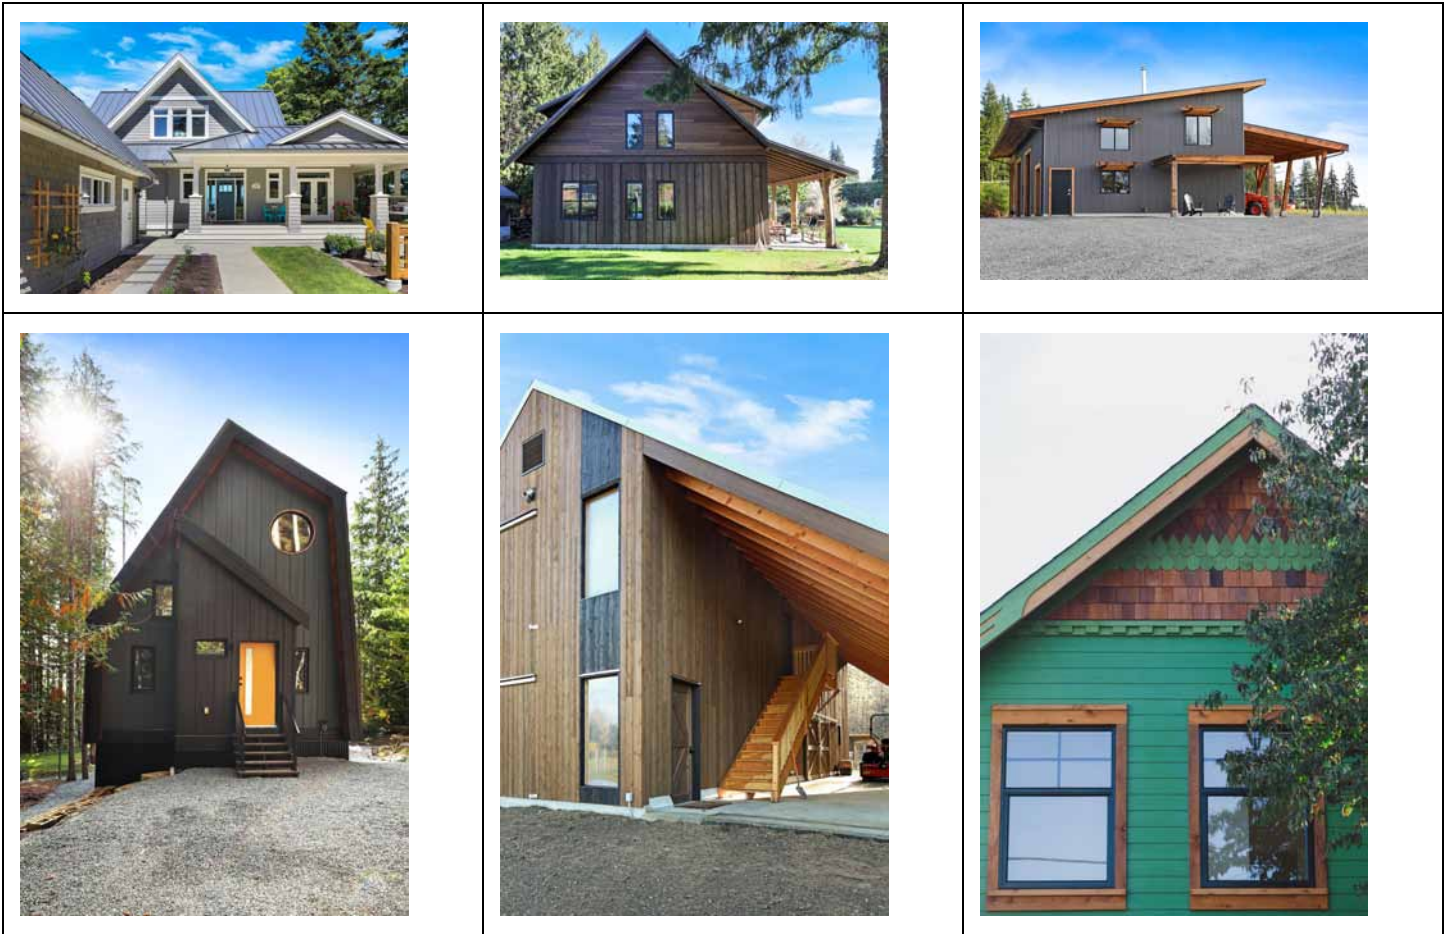

Do you want to get paid for all that?

We'd like to meet you then.

What is Facet?

We are a team of Custom Home Builders known for unique and outstanding projects. We've built our success and reputation around great people with high standards of excellence. We treat our clients, our associates and each other with respect and integrity. We are passionate about our work, and our workmanship is outstanding. We like each other, and it shows.

View some of our projects at:

<http://facetbuilders.com>, <https://www.instagram.com/facetbuilders/?hl=en>

You'll be a great fit if:

You are ambitious and you set your bar high

You are talented, experienced and able to teach and lead others

You are organized and driven to meet your goals.

You're calm under stress and a good problem solver.

You've broad strength & experience in home construction, from foundations to finish.

You've a strong work ethic and positive attitude.

You've an eye for detail, and the details matter to you.

You are good natured, communicate well, and bring the best out in others

Here's what you'll be doing:

Summary

You are the person on the ground making the project happen. You'll be hands-on, leading a small crew of carpenters through all stages of the project from excavation to completion. You'll balance that role with managing trades, material orders, and client demands. You will be in touch often with the Project Manager who works mostly from the office, managing the budget, and client selections. You will be foremost in our client's hearts and minds, as *you* are leading the build of their dream home.

Detail

- be on the tools much of the time
- lead a small crew of carpenters (2-4)
- plan out each day, week
- do take-offs, order and land the materials for the job
- quality control, make sure our work is excellent, when visible, and especially when out of sight.
- liaise with our clients, field their inquiries, requests, compliments or concerns
- stoke crew morale
- schedule and oversee the work of sub trades
- schedule and pass inspections
- promote safety culture, maintain safety equipment, and practices
- manage the tool inventory and tool trailer
- collaborate with the Project Manager on the following: schedule and budget progress, client selections, scope of work, specifications, construction details, and more.
- there will be a trial and training period for this position

Opportunity:

Competitive wage & benefits.

Paid education and training opportunities.

Compensation for vehicle and cell use.

Join a team of great characters.

Crew Events (Golf, Disc Golf, Bike, Ski, Camp)

Positive, respectful, and safe work environment.

Build great homes you're proud of.

If you think we're a good fit, please get in touch.

Please provide a resume and a brief cover letter to explain your interest and qualifications.

Reference ID: Lead Hand / Foreman

Job Types: Full-time, Permanent, room to grow

Salary: \$30.00-\$40.00 per hour
